Program Code: PBHRM

Full-time | Hazel McCallion Campus | 4 yrs (8 semesters)

A program that strategically aligns HR with an organization's goals.

What you'll learn

Today's human resources professionals must be flexible and creative and deliver value to the organization. Sheridan's Honours BBA (Human Resources Management) program gives you the skills you need to contribute to an organization from Day 1. Our learning philosophy supports the belief that HR is a strategic partner that works to align human resources and business strategy.

An innovative learning model

Our Honours Bachelor of Business Administration (BBA) programs feature an innovative experiential learning model that prepares you for the workplace. You won't get a lecture-style environment where you're asked to memorize content. Instead, you'll use collaboration, hands-on learning and experimentation to actively apply your knowledge and solve business problems that simulate the real world.

Creative Learning Portfolio

In our Honours BBA programs, you'll build a Creative Learning Portfolio (CLP) that helps you on your self-discovery journey — and in the job market. The CLP is an electronic portfolio that explores your passions, purpose, career and personal goals. Featuring course reflections, learning experiences and work samples, your CLP will help you showcase your skills to potential employers.
