

PILON SCHOOL OF BUSINESS

Honours Bachelor of Business Administration (Supply Chain Management)

Sheridan's Honours BBA (Supply Chain Management) program focuses on how supply chain adds value and creates a competitive advantage for organizations.

94%

Employer Satisfaction*
with the knowledge and skills that our graduates possess.

Honours Baccalaureate Degree

Program Code: PBSCM

Full-time | Hazel McCallion Campus | 4 yrs (8 semesters)

A supply chain management program designed for the changing business world.

What you'll learn

- How the supply chain adds value to an organization.
- How the various components of the supply chain interact with the rest of the organization and external parties to meet the needs of their customers and markets.
- How the supply chain can be used to differentiate a company and deliver a competitive advantage.

An innovative learning model

Our Honours Bachelor of Business Administration (BBA) programs feature an innovative experiential learning model that prepares you for the workplace. You won't get a lecture-style environment where you're asked to memorize content. Instead, you'll use collaboration, hands-on learning and experimentation to actively apply your knowledge and solve business problems that simulate the real world.

Creative Learning Portfolio

In our Honours BBA programs, you'll build a Creative Learning Portfolio (CLP) that helps you on your self-discovery journey — and in the job market. The CLP is an electronic portfolio that explores your passions, purpose, career and personal goals. Featuring course reflections, learning experiences and work samples, your CLP will help you showcase your skills to potential employers.

Admission Requirements

Program Eligibility

Ontario Secondary School Diploma or equivalent, including these required courses:

- English, Grade 12 (ENG4U or equivalent) with a minimum 65%

PLUS

- Mathematics, Grade 12 Advanced Functions (MHF4U or equivalent) with a minimum 60%, or Grade 12 Calculus and Vectors (MCV4U or equivalent) with a minimum 60%, or successful completion of Sheridan's Mathematical Functions for Business (MATH18263) course with a minimum 60%, offered through Continuing and Professional Studies.
- Four other Grade 12 credits (U or M or equivalent) with a minimum 60%
- Minimum 65% overall average

OR

- Two semesters of postsecondary education, including required courses, with a minimum of 65% overall average.

Applicant Selection

Eligible applicants are selected on the basis of previous academic achievement (the average of their six highest senior-level credits, including required courses).

Applicants who do not meet the admission requirements for this program will be assessed and advised individually and may be considered for other, related programs.

Ministry Consent

Sheridan has been granted a consent by the Ministry of Advanced Education and Skills Development to offer this applied degree for a seven-year term starting December 17, 2013. Sheridan will ensure that all students admitted to the Honours Bachelor of Business Administration program during the period of consent will have the opportunity to complete the program within a reasonable time frame. Credentials earned during the period of consent remain valid, even if Ministry consent to offer the program is withdrawn in the future. Prospective students are responsible for satisfying themselves that the program and the degree will be appropriate to their needs (e.g. acceptable to potential employers, professional licensing bodies, or other educational institutions).

Sheridan Degree Entrance

Scholarship: Fall 2019

Sheridan is pleased to provide an Entrance Scholarship to select applicants in specific degree programs. See this program's Fees & Financial Aid page for details.

English Language Proficiency

All applicants whose first language is not English must meet Sheridan's English Proficiency Requirements.

Refer to the website for full admission requirements.
