**Ontario College
Graduate Certificate**

Program Code: PBAPM

Full-time | Hazel McCallion Campus | 1 year
(2 Semesters)

Gain in-demand skills to help employers improve operational efficiency.

Things you'll do and learn

- Develop business processes to achieve organizational goals.
- Integrate appropriate technologies for analysis and development of business processes.
- Create sound business arguments, using financial and cost analysis to justify any process change.
- Use SAP enterprise resource planning software (Sheridan is a member of the SAP University Alliances program).

Innovative learning

- Case Studies: allow you to explore practical situations in a structured learning environment.
- Industry Project: As part of a small consulting team, you'll tackle a real business problem with a client company.
- Co-op: At the end of the academic portion of the program, you may apply to participate in a work term to gain further hands-on experience.

Alternative schedule

This program is delivered in a way that accommodates the schedule of working adults. You'll have three intensive one-week sessions (one each in October, December and April) where you'll attend classes from Monday to Friday, 8 a.m.–5 p.m. These intensive weeks mean you'll have fewer weekly in-class hours throughout the year. Some of the program is also presented in a convenient online format.

Admission Requirements

Program Eligibility

- Postsecondary diploma or degree.

and/or

- Demonstrated competence through related work and/or educational experience.

Applicant Selection

Eligible applicants are selected on the basis of previous academic achievement, and/or demonstrated experience.

In some cases, applicants may be requested to submit a résumé, which includes details of related work experience, and a cover letter, which summarizes their career goals and reasons for wanting to take this program.

Postsecondary transcripts, indicating courses completed to date, must be submitted to ontariocolleges.ca at the time of application.

Domestic applicants with education outside of Canada must have their transcripts assessed for equivalency through ICAS or WES. A comprehensive (course-by-course) post-secondary credential assessment is required.

Applicants who do not meet the admission requirements for this program will be assessed and advised individually and may be considered for other, related programs.

English Language Proficiency

All applicants whose first language is not English must meet Sheridan's English proficiency requirements.

Refer to the website for full admission requirements.
