PILON SCHOOL OF BUSINESS

Project Management

Sheridan's Project Management program gives you the skills you need to successfully manage projects in any discipline.

**Learn to manage projects successfully
in your industry or organization.**

Critical training

This program prepares you to initiate, plan, execute, monitor and control a project to ensure its success. That's true whether your area of interest is the arts, community or social services, business or government administration. If you're a seasoned professional, this program provides the opportunity to learn new skills to advance your career faster.

Things you'll learn to do

- Identify clear project objectives and detailed project requirements.
- Develop and monitor performance measures.
- Create valuable project management plans.
- Manage communication with all team members and project stakeholders.
- Arrange and control finances.
- Manage project constraints including scope, quality, cost and time.

Additional certification

In addition to your graduate certificate, you may qualify to obtain professional certification through the International Project Management Association (IPMA) or the Project Management Institute (PMI®). Contact IPMA or PMI directly for more information about their credentials and your eligibility.

Admission Requirements

Program Eligibility

- Postsecondary diploma or degree.

and/or

- Demonstrated competence through related work and/or educational experience.

Applicant Selection

Eligible applicants are selected on the basis of previous academic achievement, and/or demonstrated experience.

In some cases, applicants may be requested to submit a résumé, which includes details of related work experience, and a cover letter, which summarizes their career goals and reasons for wanting to take this program.

Postsecondary transcripts, indicating courses completed to date, must be submitted to ontariocolleges.ca at the time of application.

Domestic applicants with education outside of Canada must have their transcripts assessed for equivalency through ICAS or WES. A comprehensive (course-by-course) post-secondary credential assessment is required.

Applicants who do not meet the admission requirements for this program will be assessed and advised individually and may be considered for other, related programs.

English Language Proficiency

All applicants whose first language is not English must meet Sheridan's English proficiency requirements.

Refer to the website for full admission requirements.
