Honours Baccalaureate Degree

Program Code: PBAAP

Full-Time | Trafalgar Road Campus | 4 yrs
(8 semesters)

Master the practice of professional photography.

A professional photography education

This program prepares you for a professional photography career in the dynamic communications industries. In your photography classes, you'll create conceptually, visually and technically compelling photographs and films, and explore photography's expressive potential in existing and emerging fields. You'll be ready for the changing global and digital business world.

Outstanding industry reputation

For over 40 years, Sheridan's photography program has had an outstanding industry reputation. Our business connections rank Sheridan as one of the top photography schools, and happily hire our students for their internships. During your internship, you'll have the chance to work with and learn from experienced photography professionals and gain experience to launch your photography career.

Contemporary technologies

Our digital photography technology is the best in Canada and among the best in North America. Our state-of-the-art photography equipment and facilities include the latest industry-standard cameras (professional DSLR, medium- and large-format digital cameras), advanced studio/location lighting, colour-managed computer labs and software like Adobe Photoshop/Lightroom, Premiere Pro and Capture One.

Admission Requirements

Program Eligibility

Ontario Secondary School Diploma or equivalent, including these required courses:

- One English, Grade 12 (ENG4U)
- plus
- One senior-level Visual Arts credit at the (M) or Open level
 - Four other Grade 12 subjects at the U or M level
