Teaching English to Speakers of Other Languages (TESOL Plus)

Sheridan's TESOL Plus program prepares you to teach English in Canada and abroad.

Start your new adventure teaching English to second-language learners.

CELTA, TESL Canada and TESL Ontario: three certifications, one program

What's the "Plus" in TESOL Plus? In one program, you'll be able to earn three certifications — CELTA, TESL Canada and TESL Ontario (as of 2018). Employers look for these certifications. If you want to teach ESL learners in Ontario, across Canada or abroad, these highly respected certifications will qualify you to teach anywhere.

Teach English abroad with CELTA certification

If you want to teach English abroad, the Certificate in English Language Teaching to Adults (CELTA) may be your ticket. CELTA is well-known and respected around the world, and most high-standard employers ask for it by name. Sheridan is an official CELTA Centre. This means you'll get the practical training that meets CELTA's high standards — and be CELTA certified when you graduate.

Teach ESL in Canada with TESL certification

If your dream is to teach ESL students in Canada, you'll want TESL Canada certification. It's the industry standard, and qualifies you to teach ESL anywhere in Canada. When you successfully complete this program, you may apply for TESL Canada certification. You may also apply for TESL Ontario certification as of 2018.
